

Register with **bcbsga.com** to get online access to your benefits.

From any computer with Internet access, type **bcbsga.com** in the Web browser address field and click "Register Now."* This can be found on the top right-hand side of your screen under the Member Log In area.

Step 1: Personal information

Enter your personal information, including member identification number, first and last name, date of birth (mm/dd/yyyy) and email address. For security reasons, you will also be asked to put in the security code that is shown. Click "Save & Continue."

Step 2: Username and password

Create your username and password. You will then select a security question from the drop-down menu and give the answer. You will be prompted to answer your security question if you forget your password. Please keep this information in a secure place.

Once you are done creating your username, password and security question, check mark the box to agree to the terms and conditions of Blue Cross and Blue Shield of Georgia and click "Save & Continue."

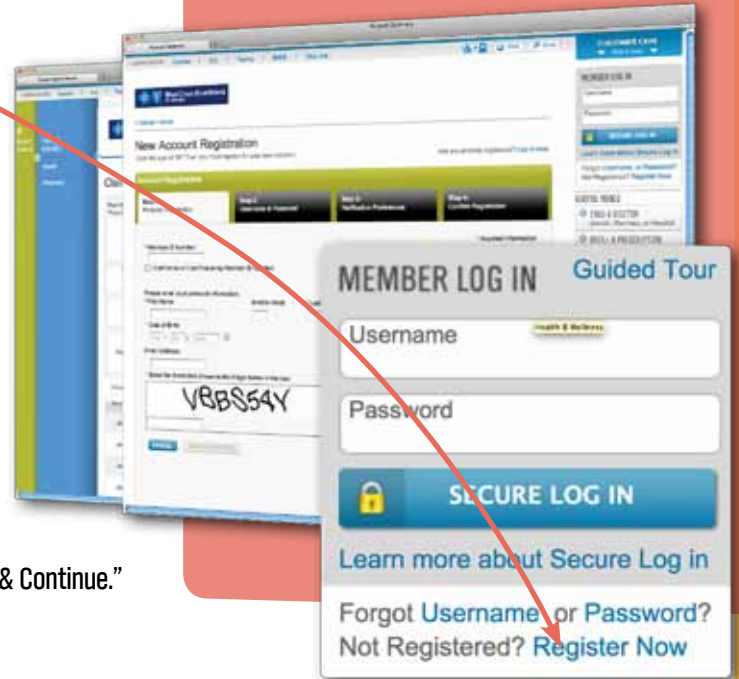

Step 3: Notification preferences

You will be able to decide how you would like to get future legal notifications, special offers and other health plan notifications.

Choose to get your information through either email or from the U.S. Postal service. Click on "Save & Continue."

Step 4: Confirm registration

Here you will make sure all your personal information, username and password and your notification choices are right. Click "Confirm."
